

Position

Title	Assistant Professor
School	Harvard Medical School
Department/Area	Immunology
Position Description	The new Department of Immunology at Harvard Medical School invites applications for a tenure-track position at the rank of Assistant Professor. We seek an outstanding scientist performing basic and/or translational research in any area of innate or adaptive immunity. This position offers outstanding scholarly and scientific resources in a collegial and collaborative department with strong ties to related departments throughout Harvard University, the Harvard-affiliated teaching hospitals and the Boston immunology community. The position offers the opportunity to teach exceptional graduate and medical students with strong interests in immunology. The research space will be located in a modern and central research building at Harvard Medical School.
Basic Qualifications	Candidates must have a PhD, MD, or an equivalent graduate degree.
Additional Qualifications	
Special Instructions	For consideration please upload to the website below a cover letter, a C.V. (including list of publications), and a concise summary of research accomplishments and future interests. Three letters of recommendation will also be required. Applications should be submitted by 11/30/2019. Applications received after this date are not guaranteed a review.
