US-NY-New York **Department** SHC Counseling & Wellness **School/Division** Student Health Center **Compensation Grade** Band 53
Union N/A **FT/PT** Full-Time **Category** Health Services

Position Summary

The Student Health Center (SHC) at New York University (NYU) is a dynamic health care service that supports the well-being and academic success of over 60,000 students studying all over the world. The SHC near Washington Square is our main facility for medical services and houses Primary Care, Women’s Health, Medical Specialties, Radiology, Physical Therapy, Pharmacy and more. We also have a Brooklyn health center as well as mental health counselors in 14 different cities (including NY). This site is also home to and integrated with Counseling and Wellness, one of the most robust college mental health services in the U.S.

Provide clinical assessment, short-term psychotherapy, group therapy, and crisis intervention to student population; oversee psychology residents and externs.

Qualifications

Required Education:
Doctoral Degree in clinical psychology. NY State license or eligibility.

Required Experience:
3+ years of clinical experience, which may include internships, externships, or fellowships.

Preferred Experience:
Experience with student population.

Required Skills, Knowledge and Abilities:
Excellent interpersonal, verbal, and written communication skills. Ability to communicate and relate well in a multidisciplinary clinical and academic setting.

Additional Information

NYU aims to be among the greenest urban campuses in the country and carbon neutral by 2040. Learn more at [nyu.edu/sustainability](#).
