Schools to Start Reopening as Planned Next Week

Arirang News

May 15, 2020 08:33

The Education Ministry said Thursday that it is not considering any further postponement of the opening of schools. The opening of schools had already been delayed due to a resurgence of coronavirus traced to clubs in Seoul's party district of Itaewon.

High school seniors will go back to school on May 20 and the rest in the following weeks as scheduled.

But kids with a temperature higher than 37.5 degrees Celsius or with other suspected symptoms are not allowed to go to school.
