Mirae Asset Financial Group chairman Park Hyeon-joo has donated his entire stock dividends to charity for the 10th year ru

Park has donated W25 billion to charity over the past decade, including this year's dividend income of W87 million from Mi Capital and W1.6 billion from Mirae Asset Global Investments (US\$1=W1,225).

He said Monday he will donate all of it to the Mirae Asset Park Hyeon Joo Foundation to be used for scholarships and socia programs.

Park established the progenitor of the foundation in April of 1998, just 10 months after he started Mirae Asset. In 2000, he billion of his own money, which at the time constituted a quarter of his wealth, to expand the foundation to what it is today
